

Sparrows in Quito

Matt & Melissa Sparrow and their children will soon be departing for their service at Alliance Academy in Quito, Ecuador. They are currently seeking supporters in both prayer and financial commitments. They will *not* be supported out of the C&MA Great Commission Fund, but must raise their own financial support. The time is fast approaching for their transition. Please prayerfully consider becoming an ongoing partner with them in this ministry through your regular prayer and financial support. For more information visit their blog at: sparrowsinquito.wordpress.com, or contact them via email: sparrowsinquito@gmail.com. To financially support their family online, visit the RCE website at: www.rce-international.org. The Sparrow's account number is #3821.
