Welcome!

We're glad you're here to worship with us today! If you're new to us, here are some things it will be helpful for you to know:

Please let us know you were here by filing out the communication card in the folder. Use the back of the card to tell us how we can pray for you or be of help.

A Welcome Packet providing information about all that happens at SAF is available to you in the lobby at our Welcome Center. You can also find this information at our website: stowalliance.org.

The Vern Sir Louis room (across the lobby) is available for nursing mothers who want to listen to the service.

If you've missed a recent sermon, or have one you'd like to hear again, audio and video recordings are available at our website: stowalliance.org/sermon-archive.

We ask that everyone please take a moment to silence your cell phone in order to minimize any distractions during the service.
