

Children's Ministry Reopening Plan

Sunday Mornings

Starting Sunday September 6th we will have a

Jr. Church time during service.

Preschool-5th Grade

All children will have to wear a mask the entire time they are in the building.

This is how Sunday mornings will look:

- Children will start in the service with their parents.
- An announcement will take place for dismissal from service. There will be a leader at each location to assist children.
- All children will have their temperature taken upstairs before entering room 230.
- Drinking fountains will not be in service. Children can bring a water bottle with their name on it. No outside food can be brought into the building for consumption.
- Little and Big Gyms will not be in use at this time.
- If a parent needs to pick up a child before the end of service they can text Ms. Darlene at 330-814-4586.
- At the end of service all children will be brought back down to the lobby. We ask that parents make sure the leaders know you are taking your children.

No parents are to come upstairs at this time.

We will have volunteers to bring children upstairs and back down.
